<ul style="list-style-type: none"> <li>Not applicable</li> </ul>

NOTES
-------

- |   |
|---|
| <ol style="list-style-type: none"> <li>1. A facility is considered closest if it has the shortest estimated transport <i>time</i> from the patient's current location. When two facilities have similar transport times, closest is that which has the shortest estimated transport <i>distance</i> from the patient's current location.</li> <li>2. Paramedics may be advised to transport the patient directly to the labor &amp; delivery unit at either facility.</li> <li>3. Paramedics will ensure appropriate pre-arrival notification of receiving facility staff and update as necessary.</li> </ol> |
|---|
