**Re:** **Access to Care Maps**

---

Current, accurate versions of Shared Health Emergency Response Services Care Maps are always posted on the Shared Health external internet site. As always, these can be accessed here:

[ERS - Health Providers \(sharedhealthmb.ca\)](https://sharedhealthmb.ca)

Shared Health cannot guarantee that care maps accessed through other proprietary resources or apps will contain current information, as we do not have direct control over these platforms. Please continue to access the care maps through the Shared Health external internet site.

Please feel free to contact Shannon or Dr. Herd if you have any questions.
