Sponsor	Manitoba Health, Seniors and Active Living (MHSAL)
Change Description	<input type="checkbox"/> This Change Order is amended based on Change Responses <input type="checkbox"/> This Change Order was not amended due to your Change Response <p>LINKS – PCQI Reminders and Data Extract:</p> <ul style="list-style-type: none"> • Specification • Assessment Guide
Reason for Change	To align with additions and changes made by MHSAL to their Primary Care Quality Indicators Guide. MHSAL updated this guide in consultation with the Manitoba Primary Care Indicator Advisory Committee (MPAC) to reflect changes to primary care best practices and to support physician Comprehensive Care Management (CCM) tariff updates that are coming into effect September 1, 2020.
Implications of not implementing change	Impacts EMR Product Certification to the Primary Care Quality Indicator Reminders and Data Extract requirement.
