Manitoba Certified EMR Product: Change Proposal Form

Change ID	CP-2019-01
Subject	Home Clinic Client Summary Service (Client Summary) for Vendors of STANDARD Certified EMR Products
Change Proposal Date	September 11, 2019
Change Type	<input type="checkbox"/> Urgent (Mandatory) <input type="checkbox"/> Standard (Mandatory) <input checked="" type="checkbox"/> Proposal (Optional)
Change Summary	<p>This Change Request introduces an interface from the EMR to the Home Clinic Client Summary Service which permits the creation of Client Summary Documents made available in eChart Manitoba.</p> <p>This change is accompanied with a remuneration* amount of \$30,000 to Vendors of Certified EMR Products upon completion of the following:</p> <ul style="list-style-type: none"> • EMR product certification to the eHealth_hub – Home Clinic Client Summary Service Specification within six (6) months upon receipt of the final, signed Change Proposal Response • Implementation and provisioning of the Client Summary Service in at least one (1) Home Clinic, within a mutually agreed upon timeframe <p><i>* At Manitoba's discretion, per Article 19.0 of the Applicant Agreement.</i></p>
Sponsor	Manitoba Health, Seniors and Active Living (MHSAL)
Reason for Change	The Client Summary Service allows Home Clinics to securely submit Client Summary data from their EMRs for the purpose of producing a standardized Client Summary document containing an enrolled patient's key health information. Client Summary documents are stored in eChart Manitoba and accessible to authorized health-care providers in support of direct patient care.
Modifications Required	EMR development as per the eHealth_hub – Home Clinic Client Summary Service Specification, and in conjunction with the eHealth_hub - Home Clinic Client Summary Service Assessment Guide.
Implications of not implementing change	There is no impact to Certification at the Standard level.
Deliverables and Target Dates	<p>September 11, 2019 – Change Proposal issued. November 12, 2019 – Response to the Change Proposal due</p> <p>Maximum of 6 months following response to the Change Proposal – Deadline for Certification toward eHealth_hub – Home Clinic Client Summary Service.</p>
