

Home Clinic Portal Release Notes

The Home Clinic Portal will be updated on February 21, 2022. A summary of the change is included below.

Scheduled Reports

There is now an updated version of the weekly COVID-19 Unvaccinated Clients Report available in the Home Clinic Portal. This report includes:

- A new 5-11 year-old age grouping (who have not received a first dose, or have not received a second dose and do not have an appointment scheduled to receive a COVID-19 vaccination in the next 30 days).

Please note that this scheduled report is available in PDF and Microsoft Excel formats and will be updated on a weekly basis.
