

Home Clinic Portal Release Note

The Home Clinic Portal was updated March 1, 2022. A summary of the changes is included below.

Provider Tab Screen Changes

Important Note: Provider Name changes will now update existing providers in Home Clinic Portal automatically. No additional action is required or needed.

View and Edit Home Clinic – Providers tab

New sorting arrows which allow users to sort providers by Name, Billing Number, Provider Type and Start Date. By default, the list of providers is sorted by Name instead of Billing Number.
