

## Home Clinic Portal Release Notes

The Home Clinic Portal was updated Wednesday, December 12, 2019. A summary of the change is included below.

### New Scheduled Report

A new scheduled report is available monthly and has been added to your Scheduled Reports; Client Validations – Current. This report will aid in remediation of client validation failures. As Home Clinic Portal is a source to eChart Manitoba, the identity of a client must be validated against the Manitoba Health record in Client Registry for information sharing to occur.
