Health Links-Info Santé is a telephone health information service staffed 24 hours a day, seven days a week by knowledgeable, experienced nurses and can assist with triaging client needs.

Non-urgent or Emergent Care

Should newly arrived people from Ukraine require non-urgent or emergent care, they can access the Walk-In Connected Care (WICC) Clinics.

Settlement workers are asked to call ahead first and advise that they are coming and who the WICC can expect.

Hours of operation vary, please call ahead or check the website for details.

Walk-In Connected Care is provided by nurse practitioners, physician assistants and registered nurses.

Language Interpreter Services

WRHA Language Access employs trained, accredited interpreters who provide services in many languages. This reduces risks associated with language barriers and enhances patient safety, accessibility and equity. WRHA Interpreter Services are available 24/7 face-to-face or remotely (video conference, conference call).

Services are provided at no cost to publicly funded health services such as hospitals, community health services, CancerCare MB, fee-for-service physicians working in the Winnipeg Health Region.

To request an interpreter call: 204-788-8585 (24/7) or fax your request to the Language Access office.

Interpreter fax request forms can be found at:
