

Home Clinic Portal: View Client Enrolment History

This quick reference contains instructions for reviewing client enrolment history for existing client records within the Home Clinic Portal.

Getting Started

- 1. Log onto the Home Clinic Portal <u>https://hcp.manitoba-ehealth.ca</u>.
- 2. Acknowledge the Confidentiality Statement by selecting OK.
- 3. Select *Client/Enrolment* from the Home page menu bar.

Home Clinic Portal

Search for Existing Client

1. Enter as much client-specific data as you have available on the Search Client window. *NOTE: Please* ensure you have checked off ACTIVE and DECEASED client status, then select the Search button.

Home	Home Clinic	Client/Enrolment	Scheduled Reports	Notifications	Reports	Data Integrity Dashboard			Welcome achanel Cogout
Sea	rch Client								Search Clear Add
PHIN	4:			Last Name:			Administrative Sex:	Sele	
MHF	RN:			First Name:			Client Status*:	Active	
Othe	r Identifier:	Select	*	Date of Birth:	DD-Mon-YYY	Ŷ			
		Other Identifier Value						Select the Clea previously ente begin a new se	r button to delete red search criteria to arch

2. Select the appropriate client from the search results. This will take you to the Client Details window.

You will see your Home Clinic name in the Enrolment History section. By clicking on the record, this will take you to the **Enrolment Details as of Today** window.

Client Details						
Client: Melon, Bitter Date of Birth: 01-Jan-2005 Administrative Sex: Female Client Status: Active	Phone: 2 Address:	04-888-8888 123 Anywhere Street Winnipeg, Manitoba R2K 1K2	PHIN: 905880600 MHRN:			
Client Status Date: 1 Jan-2022 Enrolment History Client Status History						
As of 22-Mar-2023 Toda	iy Include C	iorrected History		Enrolment Wizard		
Home Clinic Name	Enrolment Dates	Status	Provider	Client Provider Relationship Dates		
Clinic A	Start: 04-Apr-2017 Active: 27-Sep-2021	In Effect	MRP: Provider A, Physician	Start: 04-Apr-2017		

In the **Enrolment Details as of Today** window you will find details for that specific client enrolment such as when:

- The original passive enrolment was submitted
- Any providers were associated with the client
- The enrolment method became active
- The client was de-enrolled

					Start: Date when the original			
Enrolment Details as of Today Clinic A					Active: Date when enrolment method became active		Provider associated with enrolment

Each column offers different information and becoming familiar with this window can help Home Clinics better understand each client's enrolment journey:

- The **Detail Creation Date** indicates when enrolment information was processed by the Home Clinic Portal.
- The **Enrolment Method** column along with the **Enrolment Dates** column can demonstrate timelinesfor changes in enrolment status such as when a client was changed from passive to active enrolment.
- The term 'In Effect' in the **Enrolment Status** column indicates current enrolment status to the applicable Home Clinic.
