NEW MOLECULAR HEMATOPATHOLOGY TEST REQUISITION

Effective date: October 1, 2015

A new HSC Molecular Hematopathology Test Requisition, form #NS01709, is available for physicians to order molecular tests. This form is available on the LIM, <https://apps.sbggh.mb.ca/labmanual/test/loadDocumentPdf?documentId=1161> or can be supplied by the Molecular Hematopathology Laboratory. Please use this requisition when you order any specific Molecular Hematopathology test(s) to ensure the specimen is directed to our laboratory at Health Sciences Centre and not to any other alternative molecular lab.

For further questions or concerns, please contact:
