

# HOW TO BE THE BEST TOUR GUIDE

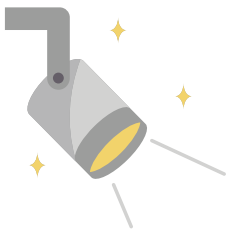

Take our kids to work day 2023

## Introduce yourself

and explain what your job is at HSC Winnipeg

## Highlight your work areas

and where you will be taking them to.

## Break time!

Remember to offer bathroom breaks

## Ask what school they attend

and who invited them to come to work today  
(name of parent, guardian, family friend)

## Answer Questions

By prompting the staff in each area to answer these questions:

- What type of education do you need to do your job?
- What do you need to enjoy in order to do this job? (e.g., science, caring for others, fixing things, solving problems)
- What is the average starting salary for someone who does this job?
- What is your favourite part of the job?

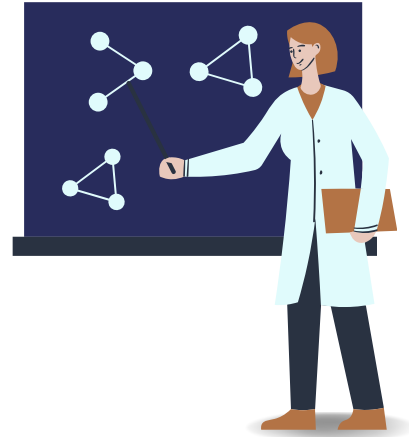

**Health

Centre  
Winnipeg**

A Shared Health facility

# HOW TO MAKE THE TIME MORE VALUABLE

## Explain that Shared Health is a provincial health authority

As Manitoba's provincial health authority, Shared Health provides provincial planning, health services and operational support for Manitoba's health system.

## Talk about health career opportunities

Find information about career planning resources for students or direct link here.

## Share stories and testimonials from health care workers

Inspire the next generation of health care workers through stories of those working in the field. Find stories and share links here.

**Reference the Fun Facts Sheet.**
